RETROSPECTIVE APPRAISALS

A retrospective appraisal is an appraisal performed at the present time with an effective date as of a date in the past. Value is developed and supported from historic data relative to the time frame of the effective date of the appraisal.

WHY NAN?

Our specialty team understands the specific reporting requirements for retrospective appraisals and works with a network of appraisers throughout the country who are highly experienced in providing this valuation.

Use Cases

Property Tax Appeal

Estate Settlements

Litigation
